THE OFFICIAL NEWSLETTER OF THE ALABAMA STATE BOARD OF CHIROPRACTIC EXAMINERS

Presidential Message

The past year has been a challenging one for all of us on every front. We appear to be getting to the other side of this pandemic and the latest numbers show great reductions in the number of cases, hospitalizations etc. The Board has worked diligently to stay on top of all the challenges regarding continuing education due to the severe reductions in in person courses being offered. We moved to allow all CE be taken online until the Governor's Emergency Order expires, currently that is July 6th. The number of in person courses has begun to increase but is still not back to pre covid numbers. The latest numbers show roughly 12 in person and 200 online classes. Barring any extensions of the Governor's order we will resume normal CE allowances July the 7th. All online classes have to be in the board office by 4pm July the 6th for consideration.

I am happy to report that the number of complaints are down as compared to previous years. We did have a slight increase during the peak of the early part of the pandemic but these were mostly driven out of frustration of dealing with all the issues of closure, mask orders etc.

We are heading into the final stretch of renewal and I would like to remind everyone to make sure your hours are turned into the Board as soon as possible to allow time for input of your information. We typically have a large number of last minute filings and it creates difficulty in properly crediting your hours by the deadline.

Sincerely,

Brian Wells, DC
President ASBCE

REMINDER

You may check the continuing education hours the Board has on file for you by visiting our website www.chiro.alabama.gov. You will then click on "[Online Services](#)" then "[Check Continuing Education Hours On File](#)", then follow the online instructions. Please remember the renewal process is much easier if you submit all documentation to the Board early.

The online 2021-2022 Renewal Application will open August 15th.

THANK YOU FOR YOUR POSITIVE COMMENTS

The Board presented the Alabama Law Seminar at the ASCA Convention in June. We appreciate the positive feedback below.

I just wanted to drop you a note to let you know that I received a good bit of very positive feedback on Alabama Law this past Saturday. Many people mentioned that it was the best law class they had ever attended and that they really liked the interactive aspect of it. I know many times what you all do is a thankless job so I wanted to make sure to pass along the compliments. — Layne
