THE OFFICIAL NEWSLETTER OF THE ALABAMA STATE BOARD OF CHIROPRACTIC EXAMINERS

Presidential Message

The Board recently held our fiscal year end meeting September 15-18 and we discussed the possible need to raise our licensing fees. I am pleased to report that we did not raise the fee but we will continue to evaluate the costs we are incurring and make any necessary adjustments in the future. We also discussed the anticipated legislation to require our x-ray technicians to be licensed or registered with the state. The Board has never had a complaint involving the taking of x-rays. We worked with the ASCA the past two years in opposing this license. I would like to encourage everyone that is concerned with this legislation to speak with your representatives or the ASCA and let them know your position. If this bill passes without exempting our profession we will incur additional costs in both personnel and licensing of the technician.

The complaints are at an all time low this past year. We have had a couple of complaints regarding clinics not obtaining the required permits due to changes in corporate structure. I encourage you to reach out to the board if you change your practice structure to make sure you remain compliant.

We are still in the thick of renewal and I recommend you get your license renewed as soon as possible. The first late fee goes into effect October 1st but you can avoid any additional late fees by renewing prior to November 1st. We have had more people renew this year by September 30th than last year. We have had several licensees state they were having a difficult time getting to in person CE classes but the numbers are up compared to prior years. The ASCA changed their yearly convention meeting to three regional meetings enabling easier access for the north and south doctors.

The board would like to introduce our newest board employee Melissa Fowler. Melissa is an Administrative Assistant II. If you have a need to call the Board Office please welcome her.

Brian Wells, DC
President ASBCE

REMINDER

Please see the website for a list of licensees and clinics who have not completed the renewal process.

If your name is on the list please contact the Board immediately regarding license / permit renewal. It's not too late. There is still time to renew your license/ permit and prevent it from being automatically suspended.

NOTE: If you are able to login and pay do not send any hours or your Business License to the board. If the online application allows you to complete and make payment we do not need any additional hours or your Section 136 Business License. Also, do not fax and email the same documents and then call to be sure we received them as this slows the process.

CONGRATULATIONS TO THOSE LICENSED SINCE JULY 2022

DISCIPLINARY ACTIONS

Amanda R. Barnes License # 2363 - Board order finding violation of Code of Alabama 1975 § 34-24-166(b)(3) and assessing an administrative fine.

There's still time to complete your renewal before your license is automatically suspended. After September 30, 2022 late fees will accrue as follows:

October\$100
November\$200
December\$300

CHECK YOUR CONTINUING ED CREDITS ON THE WEBSITE

It's easy to look up the continuing education hours the Board has on file for the upcoming renewal.

On the [Board's Home Page](http://www.chiro.alabama.gov) (www.chiro.alabama.gov) click on ['Online Services'](#)

Then click ['Check Continuing Education Hours on File'](#) and log in with your license number and the last 4 digits of your social security number. You will then see a list of the CCE the Board has on file. Please fax any certificates you have that are not reflected to 205-755-0081 or email to Wendy.brewer@chiro.alabama.gov.

Note: When you submit hours they will not be reflected on the website on the same day. It takes 24-48 hours for our system to update.
